GENERAL INFORMATION:

MAGNETIC FULL CIRCLE TRACK SYSTEM is a minimalistic track lighting solution that connects and powers it's LED heads via a magnetic core. The design of the 24-volt system not only ensures a reliable and safe connection between each fixture to the track, it allows for ease in the relocation of each-at any time. BYIBA CIRCLE magnetic track is available in custom RAL colors, wood painted finishes, gold and bronze finishes as well as the original black and white options.
