NOTES

GENERAL INFORMATION:

BotaniLux is a sculptural botanical LED pendant that merges organic beauty with contemporary design, featuring elegantly curved glass and metal forms paired with lush greenery to create a striking biophilic statement. Available in single or multi-pendant configurations, it delivers warm, diffused illumination through high-efficiency LED light sources and offers versatile dimming options including 0–10V, DALI, Casambi, and Lutron. With a durable 110–277V range, IP20 rating, and refined metal finishes in Ambra or Fume, BotaniLux transforms any interior—residential, commercial, or hospitality—into a serene, elevated environment where nature and modern craftsmanship coexist effortlessly.
