

CONCENTRICO (SINGLE FIXTURE)

PROJECT

SPECTYPE

NOTES

GENERAL INFORMATION:

The CONCENTRICO (Single Fixture) is a refined pendant light that blends modern minimalism with timeless elegance. Featuring a wide, conical glass shade accented with subtle metallic details, this fixture provides both functional illumination and an architectural presence. Its clean lines and balanced proportions make it an ideal choice for dining areas, lounges, and contemporary interiors seeking a sophisticated yet understated lighting element. Crafted from glass and metal, the CONCENTRICO combines durability with delicate visual lightness. The smokey transparent glass finishing softens the glow for comfortable ambient lighting, while the metal accents in matte gold or natural aluminum add versatility and a touch of sophistication.
