GENERAL INFORMATION:

The ARMONIA pendant is a distinctive decorative luminaire that blends glass and metal to create a striking architectural feature. Its dual cylindrical glass shades—available in a variety of finishes such as Crystal, Amber, Smoky, and Burned Earth—interact with light to produce dynamic reflections and visual depth. Suspended from a discreet canopy, ARMONIA combines refined craftsmanship with modern versatility. Designed for E12 lamps (2 × max. 60W), it provides warm, ambient illumination while serving as a centerpiece in dining rooms, lounges, and hospitality spaces. With multiple frame finishing options including Matt Black with Nickel/Gold or Nickel/Copper, the fixture adapts seamlessly to both contemporary and classic interiors.
