NOTES

GENERAL INFORMATION:

The Sissi (CH-SISSISP-VIS) is an elegant single pendant luminaire crafted from premium glass, designed to bring sophistication and style to modern interiors. Its elongated trumpet-shaped body creates a striking visual effect while ensuring soft and pleasant illumination. Compatible with GU10 lamps (max. 75W, not included), the fixture operates on 110–120V and provides reliable performance. With an IP20 rating and Appliance Class I insulation, it is ideal for dry indoor environments. Available in glossy white or crystal striped glass finishes with a glossy chrome frame, Sissi combines decorative artistry with functional lighting, making it suitable for residential and commercial applications. The adjustable suspension cable allows a maximum drop of 79" (200 cm), offering installation flexibility.
