NOTES

GENERAL INFORMATION:

The MOONS single fixture by CerchioLighting features a modern, sculptural design with dual spherical glass shades arranged on a gracefully curved metal arm. This ceiling-mounted luminaire provides a 360-degree beam spread and is ideal for both residential and commercial interiors. The fixture is compatible with E26 base light sources and supports a voltage range of 110-277V. It is rated IP20 for indoor use and falls under Appliance Class II. Available in a variety of RAL metal finishes, the MOONS fixture blends form and function to deliver ambient lighting with a contemporary aesthetic.
