GENERAL INFORMATION:

The Jelly Fish by Cerchio Lighting is a sleek, modern fixture designed for outdoor and decorative applications, offering durable metal construction and versatile illumination with 110-277V compatibility. Available in three sizes, it features high-efficiency LED options (15W-32W, CRI 90) at 3000K for superior lighting quality. With multiple dimming options, including 0-10V, DALI, Casambi, and Lutron, Jelly Fish ensures flexible control. Finished in Black, White, or custom colors, this elegant luminaire seamlessly enhances contemporary architectural spaces with its refined design and reliable performance.
